Contact Information: 9824770660, 9746624131

Gmail: aaravgk30@gmail.com

Objective:

Highly motivated and passionate student seeking an entry-level position in web design utilizing my skills in HTML and CSS. I aim to contribute to the development of innovative and visually appealing websites while further enhancing my technical abilities.

Education:

Bachelor of Information Technology (BIT)

Padmashree International College, affiliated to Nilai University, Malaysia

Expected Graduation: [2024]

Skills:

Proficient in web design using HTML and CSS

Strong attention to detail in creating visually appealing and user-friendly websites

Knowledge of IoT project development

Excellent problem-solving and analytical skills

Effective communication and teamwork abilities

Projects:

IoT Project: Collaborated in the development of a smart house during the 3rd semester, demonstrating skills in IoT technologies, programming, and system integration. Successfully implemented various smart features within the house.

Extracurricular Activities:

Leader, 3CC Program: Led the organizing committee in the 5th semester to plan and execute the college's first-ever chess competition, showcasing leadership, organizational, and teamwork skills.

Volunteer Work: Actively participated in volunteering initiatives, contributing to various community service projects.
